Kingston Pickleball Club: Program Descriptions

Beginners Skill Development

- For those who have done a Learn to Play session and are looking for more skill development.
- This is a three-week instructor-led session.

Competitive Social

- Those looking for more competitive play without the pressure of a formal league.
- Everyone will mix together in a round robin or paddle system format.

Ladder

- This is a competitive session for all levels of play.
- Move up and down the ladder based on your play each week.

Learn to Play

- For those new to the game to learn the basics of pickleball.

Mixed Competitive

- Play with the same partner for the session against other mixed teams.

Skills and Drills with Coaching

- This is a four-week session where you will be led through drills with Coach Deanna.

Social All Levels Play

- Everyone will mix together for social play in a round robin or paddle system format.
- Those looking for more competitive play can opt to join Competitive Social sessions.

Social Play for Beginners

- For those who have completed a Learn to Play session or are new to the game
- Come play with other new players in a round robin format.

Social Play for 60+

- Come play with other 60+ players.
- Everyone will mix together for social play in a round robin or paddle system format.
