

## Club Rules and Etiquette

- The club must be notified of any cancellations in a reasonable amount of time, either through CourtReserve or by calling the club at 343-477-0246
- As a courtesy to the organizers and other participants, please arrive at least 10 minutes early for organized programs so that matches can be set, and games start on-time.
- When entering the court areas, please do not disrupt play. Movement past court 2 should be done quickly and in single file, close to the fencing. For all other courts, wait until the rally has finished and then move quickly to your assigned court.
- All participants are asked to leave the court once their reserved time has ended.
- Please do not move to a vacant court without discussing with reception first.

### **Courts:**

- When walking onto the court area to play, please ensure that play has stopped before walking across, beside or behind the playing area.
- If your ball rolls onto another occupied court, call "Ball" immediately to stop play – then retrieve your ball. This is not necessary if your ball is not creating a hazard for the players on that court.
- Please keep courts clean. Only water/clear sports drinks allowed.
- Please do not leave sports bags on the inside of the fence- court play area.
- Do not pull or hang on the fencing.

### **Attire:**

- Non-marking athletic shoes are required.  
Note: outdoor tennis/pickleball shoes are recommended as KPC's courts are designed for outdoor play.
- Change into court shoes in the reception area: please do not wear them into the club.
- Protective eyewear is highly recommended.

### **Behaviour and Fair Play:**

- Unsportsmanlike like behaviour will not be tolerated and may result in action according to the club's "code of conduct" policy.
- Alcohol and Cannabis is not permitted on-site unless there are appropriate permits.
